

Looking for people to start a **New Mens Sheds** in Panmure and Onehunga

Come to a Start-up meet every **Thursday at 10am**

A **Mens Shed** is a non-profit community space where men can gather to share skills, work on projects, and socialize in a workshop environment. These sheds provide a supportive place for men of all ages and ethnicities to connect, share skills, reduce isolation, improve mental and physical health, and engage in constructive activities and community projects.

We meet every Thursday for morning tea, in Onehunga and in Glen Innes. Everyone is Welcome. All of us get to meet, chat, get to know one another and find interests. We will let everyone know about our progress towards getting land for our new sheds in Maungakiekie-Tamaki.
